TOWNGREEN 2025

Creating a Carbon Neutral Community

 GLOUCESTER MEETINGHOUSE FOUNDATION TownGreen|2025 is an initiative and community workgroup of the Gloucester Meetinghouse, a Cape Ann Civic organization. Learn more at [gloucestermeetinghouse.org](http://gloucestermeetinghouse.org).

A CARBON NEUTRAL CAPE ANN BY 2025 is the goal of TownGreen|2025. A project of the Gloucester Meeting House, TownGreen|2025 is led by citizens committed to making Cape Ann a model for meeting the challenges of climate change. Through education, collaboration, and practical resources, we're inspiring government, business, and the public to join us on this journey.
